Subject: EFAST2 PATS Third Party Transmission Software Certified Confirmation

Dear Gary,

The Pension Reporter for DATAIR Employee Benefit Systems, Inc. has been Certified by EFAST2 as meeting all requirements. This transmission software may now be used to package and transmit filings to the EFAST2 production filing system in conjunction with a Certified FilingSoftwareId. Your transmission software may also be used as a Certified TransmissionSoftwareId to send PATS cases for Filing Preparation Software to the EFAST2 test facility with a FilingSoftwareId that is pending certification.

Please retain a copy of this email for your records, as it serves as your official notification from the U.S. Department of Labor that your software has been certified.

If you have any questions, you may contact the EFAST2 Contact Center at 1-866-463-3278.

Thank You,

U.S. Department of Labor
